

Attendance & Cancellation Policy

This policy applies to all Georgia Photo *Excursions* workshop sessions conducted by Clay Fisher of Clay Fisher Photo Images, LLC.

Late Arrival

I ask that all students *please* arrive on time. It is understandable that life happens, and Atlanta traffic can be particularly challenging at times. If you are running late, please contact me as soon as possible; otherwise, I'll assume you're not attending the session and we will proceed without you.

Session Cancellation

All sessions are limited to 4-6 students. Therefore, a session with 3 or less registered students is subject to cancellation. Should this be the situation, you will be notified by email within 48 hours of the session commencement date.

NOTE: The term "session" includes classes, workshops, critiques. Basically, anything that you sign up to take.

Refunds/Withdrawals

Due to my commitment to all students, the following refund policy applies:

- A 100% full refund or credit of your registration fee (your choice) will be issued if I need to cancel a session due to illness, family emergency or other unavoidable circumstances beyond my control. Likewise, if there are less than 3 registered students within 3 days (72 hours) of the session commencement date.
- A full credit will be issued if you cancel your registration more than three full days (more than 72 hours) before the session start date.
You may call 404-274-3241 or email cfphotoimages@earthlink.net to cancel.
- A 50% credit will be issued if you cancel your registration within one to three full days (24-72 hours) before the session start date.
- No credits will be issued within 24 hours prior to the start of a session or after a session has started, regardless of attendance.
- No refunds will be issued except for the circumstances listed in the first bullet above.

Make-Up Session

I will work to accommodate the majority of the student's schedule! The majority rules which means myself and all students need to be flexible. However, to be respectful of everyone's future commitments, the make-up session will be rescheduled within 2 weeks of the initial session date.

The Weather

I continually monitor weather reports and use common sense and best judgment when it comes to conducting sessions outdoors. If a session is canceled because of weather, I will send an email to each student at least two hours before the start of the workshop.

Late Registrations

Registrations are not accepted after a session has already started. I don't want you to miss anything! Please feel free to join me in a future session.

Liability

Registration and participation in any session conducted by Clay Fisher constitutes an agreement between the student and Clay Fisher Photo Images, LLC to release Clay Fisher Photo Images, LLC from liability for injury resulting from any cause at any time while attending a session.
